

Visconet II

Electric pump VISCONET II

**Electric operating pump VISCONET II
for engine, gearbox and hydraulic oils up to SAE 80.**

Choose for your application the appropriate electric pump from HORN TECALEMIT.

Self-priming electric pump, drum thread G 2",
max. viscosity 2000 mPas (at 740 W)
incl. suction pipe for 840 mm immersion depth,
4,0 m discharge hose, DN 19 x 4, HORN 40 X
On / off switch

VISCONET II

Article no. 104 123 700
for engine and gearbox oil
up to SAE 80

VISCONET II M

Article no. 104 163 700
for engine oil up to SAE 50
and hydraulic oil

- Pumping capacity approx. 25 l/min* VISCONET II
approx. 15 l/min* VISCONET II M
- 230 V 50 Hz, 740 W VISCONET II
370 W VISCONET II M
- ZV 2000 oil nozzle

VISCONET II FMOGne

Article no. 104 133 701
for engine and gearbox oil
up to SAE 80

VISCONET II M FMOGne

Article no. 104 173 701
for engine oil up to SAE 50 and
hydraulic oil

- Pumping capacity approx. 20 l/min* VISCONET II FMOGne
approx. 12 l/min* VISCONET II FMOGne M
- 230 V 50 Hz, 740 W VISCONET II
370 W VISCONET II M
- ZV 2000 oil nozzle
- electronical flow meter
FMOGne, not calibratable

VISCONET II HDZe

Article no. 104 143 701
for engine oil up to SAE 50

Plus pre-calibration fee
Article no. 290 200 000

- Pumping capacity approx. 10 l/min*
- 230 V 50 Hz, 740 W
- electronical flow meter
FMOGe, calibratable

VISCONET II HDZne

Article no. 104 123 702
for engine oil up to
up to SAE 80

- Pumping capacity approx. 10 l/min*
- 230 V 50 Hz, 740 W
- electronical flow meter
FMOGne, not calibratable

Accessories

Article no. 234 400 800
With suction hose
instead of suction pipe
1600 mm (surcharge)

*Depending on viscosity and system
